

STRANMILLIS UNIVERSITY COLLEGE
A College of Queen's University Belfast

International Committee Remit and Membership 2009-10

Remit:

1. To provide a forum for the discussion of issues relating to the College's International Development strategy.
2. To agree and keep under review a College International Development strategy.
3. To develop and implement a strategy for the recruitment of international students.
4. To develop a dimension of the internationalisation strategy that relates to research and encourages international collaboration in research.
5. To work collaboratively across the College to facilitate the internationalisation of the curriculum.
6. To ensure provision of appropriate information and advice for international students.
7. To handle matters relating to full fee international students; visiting students; ERASMUS and international exchange students.
8. To set and monitor the targets set for student and staff international mobility.
9. To report to the College's Governing Body.
