

STRANMILLIS UNIVERSITY COLLEGE
A College of Queen's University Belfast

Semester 2 Examinations

Dear Student,

You have already received information to advise you that all forms of face-to-face teaching have ceased and that teaching and associated material will be provided via alternative means such as using Canvas.

We now wish to advise you that there will be **no formal examinations** on the Stranmillis campus this academic year, in line with the decision taken by QUB. We are currently working hard to identify alternative forms of assessment and these will be communicated to you as soon as possible.

Please keep checking Canvas and College emails for important updates. It is important that you are safe and keep safe during these challenging and difficult times.

Kind regards

Dr Ken S. Gibson

Director of Student and Learning Services
