### Charlotte

Oh dear I am **so** embarrassed - I can't believe my mum sent you a message! That is so uncool! But (pause) you guys have really helped me. I'm not going to lie - I am so worried about this big move. I've been so worried and I just don't want to talk about it. I'm afraid to tell my friends...I'm afraid they won't want to be my friends anymore, that they think it isn't worth it because I'm moving so soon. I haven't had a chance to read your letters yet, but thank you so much for thinking of me. I know you guys are about to go through a similar move - from P7 to big school, so I know you understand how I'm feeling. I'm sure your letters will be so helpful. Thanks so much for taking the time to write to me! Maybe we can all keep in touch?
