Sophie

Claire, Mikey, Emily, Charlotte and Betty showed that we are better when we all work together. Each of them had their own talents that made them special and unique. It's the same for all of you in your class.

And when you put all of those talents together, you can create something even bigger and better than what you could make on your own. Each of the feathers you have created are beautiful and detailed.

Now, let your teacher use all of the feathers to make something even more beautiful. Sometimes you might be scared to let others help you. If you ever feel like that just remember this quote – “What if I fall?” “Oh my darling, but what if you fly!”
