

A Magical Night

Erin Johnson

A magical, majestic, mesmerising night!

Full of movies, laughter, fun and light,

Warm drinks and carols fill the air

As we dance the quick step full of flair.

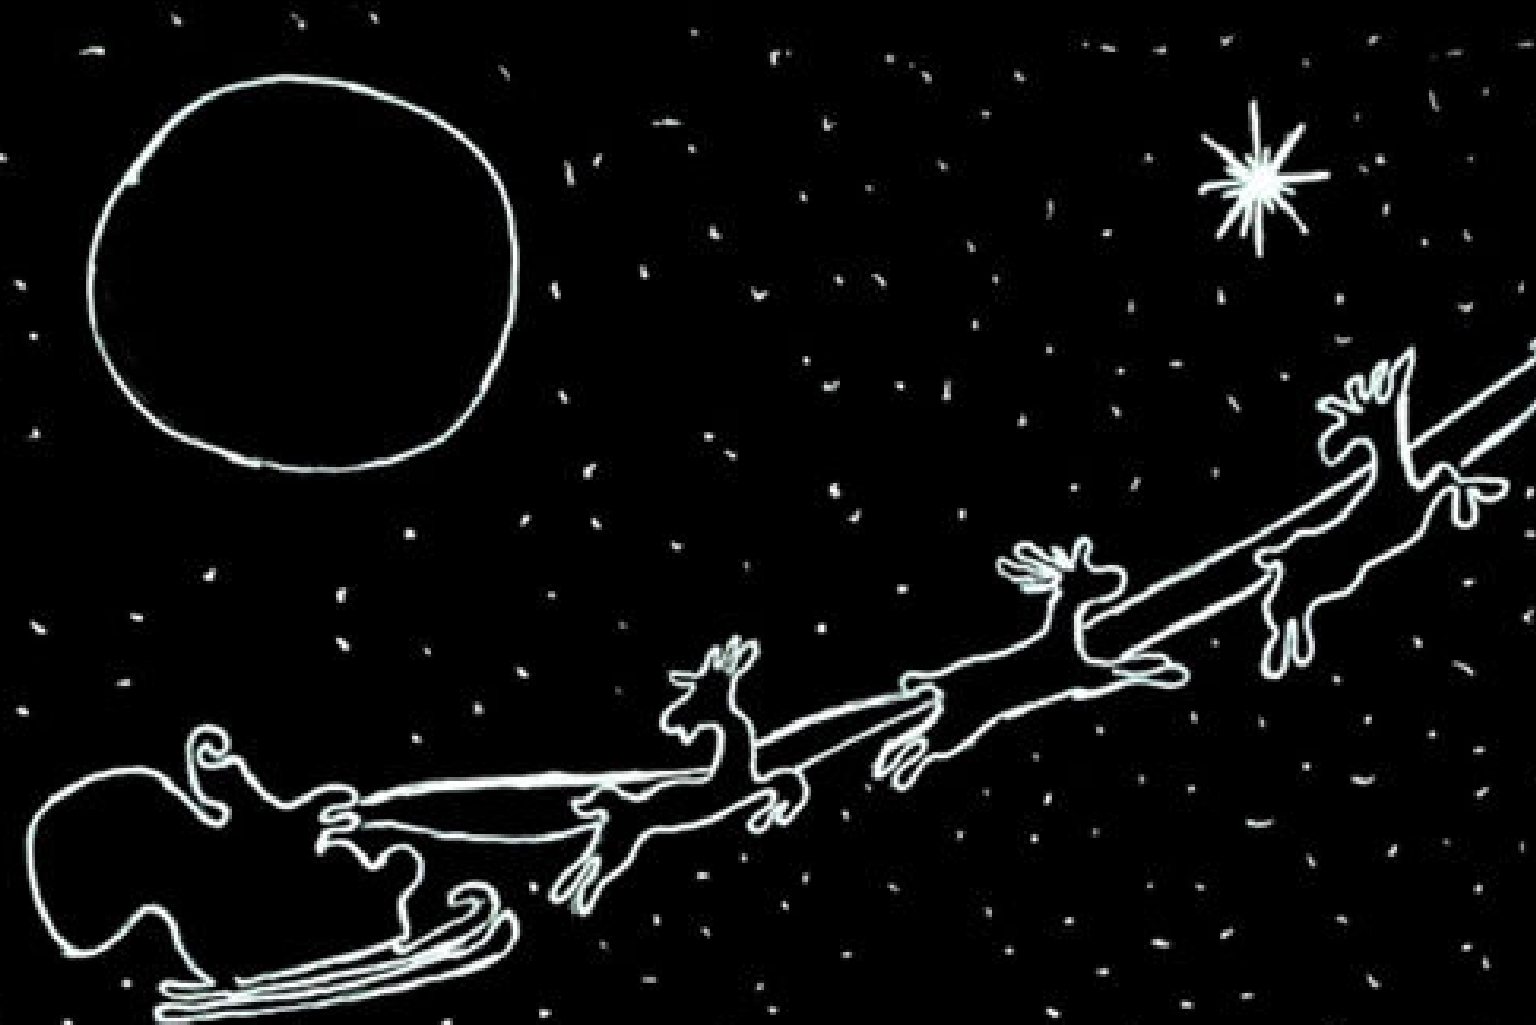

A magical, majestic, mesmerising night!

As we wait with excitement for the man in flight

To leave our gifts, all wrapped up in white,

He will come when we sleep, we are not allowed to peep!

A magical, majestic, mesmerising night!
Memories, family and love burn bright,
Bedtime calls and our eyelids close, as we dream of the
man in flight

Tomorrow we wake as the sun breaks...

A magical, majestic, mesmerising morning to make.
